Dear Bob,

Enclosed is a small AB,BB,BR 'CLOCK' program you might like to use. It is simple. I wrote to you sometime ago asking if you really wanted programs, but never heard from you. I also sent you a number of programs, mostly ART, which you never used.

If you don't like my ART please say so and I'll stop sending it. I try to keep the programs short and attractive since I'm sure no one wants to load long prog. unless they had seen it.

Best regards,

Stan

Dear Bob -

I found someone who has
loaned me a copy of vol. III -
ARCADIAN so I do not need
the one you owe me.

Either use my money for vol. 5,
or send me a game tape. I
have your tape sampler in
ASTRO containing Basels,
Antingchang ponds, etc. By the
way some of them are in error &
I need vol. III for corrections.
I can also see V-III will answer
many of my questions.
